

Organized Feedback + Sketches

Current issue	Type	Solution (Ideas or Sketches)
<p>1. Too many components on home page/many features go unnoticed</p>	<p>Visual</p>	 <ol style="list-style-type: none"> 1. Get rid of the “Events” and “Personal Reminders” 2. Condense the upcoming and Recent Assignments sections 3. Get rid of toolbar on side 4. Add more spacing/white space between components 5. 5 tabs/sections: Home, Grades, Assignments, Announcements, Classes 6. Get rid of “search” icon; does not do anything 7. Get rid of “standards progress” 8. Reduce number of options on the filter button 9. Larger icons, less words
<p>2. Class Pages opens in a new tab instead of the same page (Specific Class Page), as does Powerschool SIS</p>	<p>Interaction, IA</p>	<ol style="list-style-type: none"> 1. The “assignments” tab, “grades” tab, and “announcements” tab can be filtered by classes 2. Get rid of Class Pages altogether 3. Click on tabs to access grades, assignments, announcements, and classes

		
<p>3. Assignments are not sorted by missing or recently graded, specific category (quizzes, tests etc..) etc..</p>	<p>Visual, Interaction, IA</p>	<ol style="list-style-type: none"> 1. Color assignments to show they belong in different categories (Red is missing, Yellow is recently graded etc..) 2. Recently graded assignments are highlighted (once you click on the assignment it is no longer highlighted) 3. Missing or Incomplete 4. Assignments are also highlighted 5. A filter button is also included for the user 
<p>4. Grade changes are not able to be seen. Students cannot see if a teacher grades or adds a comment to an assignment</p>	<p>Interaction, IA</p>	<ol style="list-style-type: none"> 1. Notifications/Unread symbols are included in "grades" tab (users click to check) 2. Assignments that are recently graded/have recent activity are highlighted 3. Add a recently graded section on homepage 4. Show by arrows (up or down) how much the class grade has dropped by

5. Shows too many assignments on homepage	Visual	<ol style="list-style-type: none"> 1. Clip assignments 2. Box should not keep on expanding to fit more assignments
6. Personal Reminder/Events function is not used	Visual, Interaction	<ol style="list-style-type: none"> 1. Remove to create more space for homepage <p>Or</p> <ol style="list-style-type: none"> 1. Put it under Assignments/Announcements tab and use a popup to explain function
7. Multiple icons to do the same action (announcements bell and activity feed lead to the same page)	Visual, IA, Interaction	<ol style="list-style-type: none"> 1. Include only 1 announcements section on the homepage and a announcements tab 2. Get rid of bell icon, tool bar on left side
8. Quicklinks, Messages/Communications bar on the left hand side is not used	Visual, IA, Interaction	<ol style="list-style-type: none"> 1. Delete to create more space on homepage <p>Or</p> <ol style="list-style-type: none"> 1. Add it as an option on

		<p>the bottom of the homepage and use a popup to explain the functions</p> <ol style="list-style-type: none"> Do not allow the bars to link into another webpage though
<p>9. Options for Marking Period/Semester/Year are often unnoticed (students check their grades for the wrong year/semester)</p>	<p>IA, Interaction</p>	<ol style="list-style-type: none"> Put the filter options for time and marking period in the center of the homepage Label clearly: add a label on the side so students know what M2 or S1 stands for
<p>10. Work is split between three different websites (Three different places to upload assignments (upcoming, recent, class pages) and four different places to see assignments (upcoming, recent, class pages, progress), as well as 3 different places to see different announcements (class pages, activity feed, and bell icon))</p>	<p>IA</p>	<ol style="list-style-type: none"> Allow assignments to be uploaded directly on “assignments” tab or on the assignments box on the homepage, have all links and assignments listed here and nowhere else besides homepage Get rid of class pages and “progress” icon and condense “Upcoming” and “Recent” Assignments Under grades, show grade history or transcript Under classes, show course registration and schedule 
<p>11. Website does not show category weights/grade details</p>	<p>Visual, Interaction</p>	<ol style="list-style-type: none"> In “grades” tab, add specific grade details

Task Flows:

Task 1: Checking Grades

Login page → Enter password → Homepage → Look over grades overview (see grade changes) → Change/Adjust specific time and period → Click on grades tab → Filter by different criteria, including by class → See specific grade details and drops

OR

Login page → Enter password → Homepage → Look over grades overview (see grade changes) → Change/Adjust specific time and period → Click on individual grade in grades overview → redirects to grades tab

Task 2: Checking Assignments

Login page → Enter password → Homepage → Look at today's assignments → Change/Adjust specific time and period → Click arrow button to view future/past assignments → Click Expand to see full list of assignments (if more than 4 items) → Click on Assignments tab → Filter assignments by specific criteria, including missing or by class → see newly graded or commented assignments highlighted

Task 3: Uploading Assignments

Login page → Enter password → Homepage → Look at today's assignments → Change/Adjust specific time and period → Click arrow button to view future/past assignments → Click on specific assignment listed → Click "Choose file/upload from Google Drive" → Click Submit

Or

Login page → Enter password → Homepage → Click on Assignments tab → Filter assignments by specific criteria → Click on specific assignment → Click “Choose file/upload from Google Drive” → Click Submit

Task 4: Checking Announcements:

Login page → Enter password → Homepage → Look at today’s announcements → Change/Adjust specific time and period → Click arrow to view past assignments or go back to today’s announcements → Click on announcements tab → Filter announcements by specific criteria → Click to view an announcement in detail

Task 5: Checking Classes:

Login page → Enter password → Homepage → Click on classes tab → View all classes currently taking → Click on a specific class to see class details
